

I'm listening to DJ Utopia on a Walkman

I'm wearing a red Nautica fleece

I'm covered in rave-funk

I'm Harmony Korine with
Coke-bottle glasses

Pisha Warden, Leslie Burrow, a Marlboro
Menthol, my tickle-me-Elmo
a stick of mint gum
at least

She's my C. Seigny

It's 1996, my balls
are dropping 4/4 to the floor
