a   c a r   /   A   P o m e

Jeffery Joe Nelson

as

    the subway releases its load
    & is instantly restocked
    like a pond

        each fish
a person
        each person
a beast

        once released
they go
        around the block
& commit
        a paradox
